State bid to...

The government's decision to stop the arbitrary practice of private schools came after Jabalpur district administration's recent decision against private schools' profiteering practices, exposing eleven institutions to unjust fee hikes and compelling parents to buy books and stationery from designated shops.

HC dismisses private...

The administration later imposed a fine of Rs 22 lakh on the accused school owners. The investigation conducted on instruction of collector Deepak Saxena, revealed that private schools were increasing fees without adhering to the Madhya Pradesh Private Schools Fees Regulation Act. Additionally, school owners were compelling parents to purchase books exclusively from certain shops. The district administration has so far made the accused school owners refund approximately Rs 81 crore to numerous parents who were overcharged.

Manish Sharma, activist who was fighting private school affairs, said, "HC has rejected private schools directors' demand not to arrest and they are ready to cooperate in investigation but justice Vishal Dhagat rejected their appeal."

21 killed, 54 injured...

Of the injured people, there are 25 women, 17 men and 12 children, according to a list released by police. The Army, police and locals used ropes and made human chains to carry the bodies and the injured people uphill. The Army used cranes to pull the bus out of the gorge and the operation is still on, the officials said. The injured, including six in a critical condition, were initially taken to the Akhnoor hospital for treatment. Subsequently, they were shifted to the GMC hospital in Jammu in ambulances, the officials said. "More than 36 passengers have been brought to the GMC hospital. Six of them are in a critical condition. Timely treatment is being given to the patients," principal of the hospital Dr Ashutosh Gupta said. The injured passengers said the accident took place when the driver was negotiating a blind curve and a speeding car was coming from the opposite direction. "A car was coming from the opposite direction. The driver tried to negotiate a blind curve but failed, resulting in the vehicle rolling down into the gorge," Amar Chand, one of the injured people undergoing treatment at the hospital, said. Those who sustained injuries in the incident said they had come for a pilgrimage to Shiv Khori. Senior Superintendent of Police, Traffic, Faisal Qureshi, the transport commissioner, along with other officials, visited the spot and supervised the operation. The SSP said it seems there was no overloading of passengers in the bus. Divisional Commissioner Ramesh Kumar, SSP-Jammu and the deputy commissioner of Jammu visited the GMC hospital to inquire about the injured. The LG has expressed anguish at the loss of lives in the accident. In a condolence message, Sinha said, "The bus accident in Akhnoor is heart-rending. I condole the loss of lives and pray to the almighty to give the bereaved families the strength to bear the irreparable loss. Praying for a speedy recovery of the injured. The administration is providing all possible assistance to the bereaved families and is also extending medical facilities to those who have been injured."

Even Kejriwal not...

"The university changed the question paper at the eleventh hour to pre-empt the leak bid. It had emailed the new question papers to colleges doubling up as exam centres and asked them to download it," she said.

However, the BJP student wing activists - sporting black bands as a mark of protest against paper leaks - demanded removal of Thakur from exam and confidential department. Trying to pacify the activists, Jain gave Kejriwal case reference. After their talks with the VC, ABVP city secretary Sarthak Jain claimed that the VC had stated that why should the university officers face action merely on accusation even when Kejriwal is out on bail in ED case. After Sarthak Jain's claim went viral on social media and some web portal ran news stories on it, the university issued clarification on it.

China's most advanced...

This isn't the first time the J-20 has been deployed in Tibet. The jets have been observed in Xinjiang in China's Hotan prefecture between 2020 and 2023. This, however, is believed to be the largest deployment of the J-20 which has been spotted by commercially available satellite imagery. The Chengdu J-20, also known as the Mighty Dragon, is a twin-engine stealth fighter which was introduced into service in 2017. Some reports suggest China may already have deployed as many as 250 of the stealth fighters which are difficult to observe by radar. With the induction of the fighter, China emerged as the third country in the world to operationally field stealth fighters. The jet, which is equipped with an array of sensors, is being constantly modernised. Its primary role is as an air superiority fighter, and it carries China's most advanced air-to-air missiles, including the PL-15 long-range air-to-air missile which is believed to have the ability of striking aerial targets up to 300 km away.

It has its own culture. It has its own tradition. There are many socio-economic issues that happen. But, I would say, being a part of India, which is a culturally rich and a diverse country, and especially being a part of the Indian Army, helped."

"Because all my soldiers have been working in different regions of the country, and they have served in different terrains, they have seen different environments, it was not really challenging for me to have a team."
