

# Dalit man's assault by 2 home guards caught on camera in UP

**MANISH SAHU**  
LUCKNOW, MAY 16

THE ASSAULT of a Dalit watchman by two home guards in Uttar Pradesh, caught on camera, has taken a political turn, with Congress's Rahul Gandhi and Priyanka Gandhi Vadra referring to the incident to take aim at the BJP.

The two accused – Rampal and Veer Bahadur, both in their 40s and from the Bahaw community – have been suspended and placed under arrest for allegedly assaulting Virendra Dhanuk (45), who was visiting Nawabganj tehsil for a personal matter when the incident took place.

The video shows the two men attacking Virendra, who is pinned to the ground. One of them places his boot on his face, while the other hits him with the butt of his rifle.

While Virendra, a resident of Bareilly, could not be contacted for a comment, in a video circulating online, he is purportedly heard saying that on Tuesday, he had gone to Nawabganj tehsil to collect some documents. He alleged that at one point, the two accused, stationed at the gate, commented that people like him receive rations and money for free. He asked the accused what problem they have, which offended the two and they grabbed him and started assaulting him. He later filed an FIR against the duo alleging the two accused made casteist remarks during the assault.

"We arrested homeguards Rampal and Veer Bahadur and they were presented before a court, where they were granted bail on Wednesday," said SHO Raj Kumar Sharma, adding that the two have been suspended. As the video went viral on social media and was picked up by the Congress leaders, Bareilly police moved swiftly. Mukesh Chandra Mishra, the Additional Superintendent of Police in Bareilly, said they promptly filed an FIR, and the circle officer of Nawabganj was tasked with conducting an investigation.

In a video, Rahul shared a clip of the incident and said, "Brothers and sisters, you saw the video. We felt pained and angry at seeing it. What is being done with our countrymen? The Constitution protects the marginalised. BJP and RSS... Narendra Modi want to finish the Constitution...If you do not stand up to protect the Constitution, your rights will be snatched away and your self-respect will be trampled every day – what happened in Bareilly will happen across the country"

# Doctor suspended after mix up in surgery on child at Kerala govt hospital

**PRESS TRUST OF INDIA**  
KOZHIKODE (KERALA).

A FOUR-YEAR-OLD girl in Kerala was wheeled into an operating theatre at the Government Medical College Hospital here on Thursday for the removal of her sixth finger. Hours later, when she emerged from surgery, it was discovered that the operation was performed on the wrong part -- her tongue. The shocked family of the girl said the error came to light when they found cotton stuffed in the child's mouth post-surgery.

As the issue created an uproar in Kerala, the state government initiated action, suspending Associate Professor Dr Bejohn Johnson, pending an inquiry.

Health Minister Veena George announced the decision to suspend the doctor after receiving a report from the Director of Medical Education, who was asked to conduct an immediate investigation into the incident earlier in the day.

An official statement said the minister has also directed that a detailed inquiry be conducted and further action taken.

George has given strict directives to the hospitals to ensure that protocols are followed correctly, it said.

Meanwhile, the police registered a case against Dr Johnson based on a complaint lodged by the girl's family.

According to an officer at the Kozhikode Medical College police station, the doctor has been booked under IPC Sections 336 (endangering the life or personal safety of others) and 337 (causing hurt by an act endangering the life or personal safety of others).

The child's family said that the child had no issue with her tongue.

"No one should have such an experience again at the Medical College Hospital," they said. The family also said the hospital authorities should take responsibility if there are adverse consequences for the child due to the procedure.

"The hospital authorities informed us that it was a mistake as they had scheduled surgery for two children on the same date," a family member said. A family member said the doctor had apologised to the family for the error.
